SUMMARY

A confident speaker and an inspirational lecturer, able to impart advanced theories and other information to audiences of all levels. I am encouraged by my passion, curiosity and aspiration as a researcher in Computer Science. Research in Machine Learning, Computer Vision and Data Science are my current priorities. I have the capacity to take responsibility based on given opportunities and the ability to accept new challenges.

WORK EXPERIENCE

University of Peradeniya, Faculty of Science,
Department of Statistics and Computer Science.

March 2019 - Present

FriMi Digital Bank,
Nations Trust Bank PLC, Colombo, Sri Lanka.

November 2018 - February 2019
Data Analytics Intern

Apply advanced analytics techniques to solve business problems: predictive modeling using deep learning, clustering, customer segmentation, decision trees etc.

Accomplish business intelligence: Tableau Desktop, Tableau Bridge and Tableau online platforms.

RESEARCH EXPERIENCE

December 2018 - Final Year student developed an Autoencoder based Image Compression Algorithm using Deep Learning, Image Processing and Signal Processing.

EDUCATION

**University of Peradeniya, Faculty of Science,
Department of Statistics and Computer Science.**

January 2015 - December 2018

B.Sc. in Computer Science (Special) Honors.

Second Class Upper | Computer Science GPA - 3.63/4.00 | Overall GPA - 3.46/4.00.

Subjects - Computer Science | Mathematics | Physics.

Kingswood College Kandy.

August 2013

GCE Advanced Level Examination.

Combined Mathematics - B | Chemistry - C | Physics - C |

General English - B | General Knowledge - 72.

GCE Ordinary Level Examination.

December 2009

Mathematics - A | English - A | Science - C |

4 A's | 1 B | 1 C.

ACTIVITIES

Organizing Committee member of Industry Day 2019, Faculty of Science.

STRENGTHS

Programming Languages
